State Fire Training
New Registered Instructor Update Courses

On behalf of State Fire Training (SFT), we are happy to announce we are offering **State Fire Training Registered Instructor Update Courses**! This is a one day course for all currently registered State Fire Training Instructors.

Who Should Attend

This is a mandatory training for all currently registered State Fire Training Instructors. If you do not attend one of the courses, you will no longer be approved to teach curriculum after **December 31, 2014**.

Find a class location close to you!
