**To:** Ronny J. Coleman, Chairman  
Statewide Training and Education Advisory Committee  
c/o State Fire Training

**From:** Rodney Slaughter, Deputy State Fire Marshal, Specialist III

**Subject/Agenda Action Item:** Accreditation Site Visits

**Recommended Actions:** No action required by STEAC, individual STEAC members are asked to volunteer for upcoming site visits.

**Background Information:**

Accreditation site visits are conducted with at least one member of STEAC and one Community College Fire Technology Director along with State Fire Training staff. Coordination of the site visits varies with the academic school year and in many cases the availability of the site team.

**Analysis/Summary of Issue:**

State Fire Training has received 2 new accreditation applications (Merritt College and Victor Valley College) and 4 re-accreditation applications. SFT is asking for STEAC participation in the site visit for Merritt College in the Oakland area next month and interest in the site visits for Victor Valley College and the Los Angeles Fire Department in February.
