Procedure Title: Statewide Training and Education Advisory Committee (STEAC) Membership

Page Number: Page 7 (2008)

Section Change: A request from FIREScope to add a representative of the FIREScope Taskforce as a member of STEAC was approved by the State Fire Marshal. The interim procedure for the approval process is:

STATEWIDE TRAINING AND EDUCATION ADVISORY COMMITTEE

(A) COMMITTEE GOAL

To serve as a policy review committee for the State Fire Marshal and provide final review of all SFT course curricula.

(B) COMMITTEE MEMBERSHIP

- (1) The committee chair shall be appointed by the State Fire Marshal.
- (2) Committee members shall be appointed by the committee chair and the State Fire Marshal.
- (3) Committee members shall serve staggered, two-year terms.
- (4) The committee shall be comprised of the Chief of State Fire Training (ex-officio) and representatives from the following organizations:
 - (a) California Fire Chiefs Association (CFCA) (up to 2).
 - (b) California Department of Forestry and Fire Protection (CAL FIRE).
 - (c) CAL FIRE Academy.
 - (d) CFCA Training Officers Association (one North and one South).
 - (e) Governor's Office of Emergency Services (OES).
 - (f) California Fire Fighters Joint Apprenticeship Committee (CFFJAC).
 - (g) California Professional Firefighters (CPF).
 - (h) California State Firefighters' Association (CSFA).
 - (i) Fire District Associations of California (FDAC).
 - (j) California Fire Technology Directors (one North and one South).
 - (k) League of California Cities.
 - (l) Metro Chiefs.
 - (m) FIREScope Taskforce

Justification: The FIREScope Taskforce is recognized by the Office of the State Fire Marshal as a partner in the training and education of fire service personnel at every level. Having a member of the Taskforce on STEAC will improve communications between STEAC and FIREScope Board of Directors. This interim procedure institutionalizes the STEAC membership with the addition of the FIREScope Taskforce representative.

This change in procedure provides clarification to the adopted reference in Title 19 California Code of Regulations.
