Course Information and Required Materials

PO Box 944246, Sacramento, CA 94244-2460

Course:
Fireline Safety Awareness for Hired Vendors (2011)  FSTEP

Hours:
8:00

 Designed For:
Hired vendors working with the State of California or the United States Forest Service on any active wildland fire, including water tender operators, heavy equipment with water operators (Skidgine), dozer operators, crew bus drivers, vehicle drivers, mechanics, fallers, swampers, and chain saw operators.

Description:
To properly educate hired vendors who plan to engage in wildland fire suppression and support activities. Topics include current safety training, relevant policy and procedures, how to recognize and mitigate risk, and maintain safe and effective practices while working under agency supervision on an incident. Upon successful completion of training, participants will receive a Qualifications Card valid for 1 year from date of issue. Meets the federal requirement of RT-130 (Annual Fire Refresher).

Prerequisites:
None

Certification:
None

Class Size:
40

Restrictions:
1:5 student instructor ratio for fire shelter deployment skill

Training Expiration:
Valid for one (1) year from date of training

REQUIRED STUDENT MATERIALS

- Note paper and pen or pencil
