SUBJECT/AGENDA ACTION ITEM:
Accreditation Status Report

Recommended Actions:
Information/Discussion

Background Information:

Accreditation site visits are conducted with at least one member of STEAC and one Community College Fire Technology Director along with State Fire Training staff. Coordination of the site visits varies with the academic school year and in many cases the availability of the site team. Staff is developing a list of accreditations to bring all accredited facilities up to date to coincide with the National Accreditation effort.

Analysis/Summary of Issue:

Accreditation site visits are conducted with at least one member of STEAC and one Community College Fire Technology Director along with State Fire Training staff. Coordination of the site visits varies with the academic school year and in many cases the availability of the site team. STEAC members have volunteered to assist with the upcoming site visits. Attached is a list of the accreditation site visits we are currently in the process of scheduling.
