Burbank, CA 91510-6849

Dear Sir/Madam:

Effective, March 15, 2012, Visualize Inc. c/o Deluxe Media Group will no longer be a member of Underground Service Alert of Southern California due to nonpayment of fees as stated in Article II, section 5 of the Articles of Incorporation Bylaws of USA/SC.

Enclosed is a copy of California Government Code section 4216. Section 4216.1 states that "every operator of a subsurface installation, except the Department of Transportation, shall become a member of, participate in, **and share in the costs of**, a regional notification center." The definition of "operator" means any person, corporation, partnership, business trust, public agency, or other entity which owns, operates, or maintains a subsurface installation. A subsurface installation is any underground pipeline, conduit, duct, wire, or other structure, except non-pressurized sewer lines, non-pressurized storm drains, or other non-pressurized drain lines.

If you have any further questions, please call 951-808-8113.

Sincerely,

Ann Diamond
