California State Fire Marshal Information Bulletin

Unapproved Safe and Sane Fireworks #H-058 Soda Pop Fountain

Phantom Fireworks has mistakenly shipped their item #H-058 Soda Pop Fountain to approximately 800 retail fireworks stands. This H-058 Soda Pop Fountain was not tested or approved by the Office of the State Fire Marshal. Phantom Fireworks has been notified and they have notified all the retail fireworks stands to pull them off their shelves and not sell the Soda Pop Fountains. These organizations should return the Soda Pop Fountains to Phantom Fireworks warehouses. They will receive full credit for the returned items from their Phantom Distributor.

If you find any H-058 Soda Pop Fountains in any of the retail fireworks stands, you should either seize the product or allow the stand operators to return the items to their distributor.

Should you have questions regarding this issue, please do not hesitate to contact Supervising Deputy James Parsegian at (916) 445-8415 or Division Chief Vickie Sakamoto at (916) 445-8312.
