

ISSUED: January 9, 2006

California State Fire Marshal
Informational Bulletin

Unapproved Fire Extinguishers
Sold in California

Model NTR025

Chrome with Blue Flames

Certain fire extinguishers manufactured by Neutron Motor Sports and marketed by J & A Auto Accessories, 14025 South Main St., Los Angeles, CA, do not meet the approved standard for sale in California. The models in question are:

- NTR025 Chrome with Blue Flames
- NTR026 Chrome with Yellow Flames (not shown)
- NTR027 Chrome with Red Flames (not shown)
- NTR028 Chrome with Carbon Fiber Flames (not shown)
- NTR029 Chrome with White Flames (not shown)

Sales of unapproved fire extinguishers in California constitute a violation of Section 13162 of the Health and Safety Code which states that no person shall market, distribute, or sell any portable fire extinguisher in California unless it has been examined by and bears the label of Underwriters' Laboratories or another testing laboratory approved by the State Fire Marshal.

If you have any questions or require further assistance please contact **James Parsegian** at the California State Fire Marshal's Office, Telephone Number **916-445-8415**
