APPROVED TESTING LABORATORIES**

An approved testing organization is any person, firm, corporation or association equipped or having access to facilities which are equipped to perform tests in accordance with the **California State Fire Marshal's testing procedures**. Approved testing organizations are divided into the following types:

- |                |   |
|----------------|---|
| <b>TYPE A</b>  | Those who are qualified and equipped to conduct tests and examinations, have a labeling program, and conduct factory inspections of the materials and workmanship used in production of the listed items. |
| <b>TYPE A1</b> | Those who are qualified and equipped to conduct designated tests and examinations and have a recognized labeling and factory inspection program for specific products.                                    |
| <b>TYPE B</b>  | Those who are qualified and equipped to conduct all forms of tests and examinations but do not conduct factory inspections.   |
| <b>TYPE B1</b> | Those who are qualified and equipped to conduct designated tests and examinations but do not conduct factory inspections.   |
| <b>TYPE C</b>  | Those who are qualified to conduct or supervise all forms of tests and examinations and who may utilize the facilities of other firms for the necessary testing equipment.                                |
| <b>TYPE C1</b> | Those who are qualified to conduct or supervise designated tests and examinations and who may utilize the facilities of other firms for the necessary testing equipment.                                  |
| <b>TYPE D</b>  | Organizations, firms, corporations or associations who possess approved equipment for testing, as designated, when utilizing the services of a Type C or C1 organization.                                 |
