An approved testing organization is any person, firm, corporation or association equipped or having access to facilities which are equipped to perform tests in accordance with the California State Fire Marshal's testing procedures. Approved testing organizations are divided into the following types:

**TYPE A**
Those who are qualified and equipped to conduct tests and examinations, have a labeling program, and conduct factory inspections of the materials and workmanship used in production of the listed items.

**TYPE A1**
Those who are qualified and equipped to conduct designated tests and examinations and have a recognized labeling and factory inspection program for specific products.

**TYPE B**
Those who are qualified and equipped to conduct all forms of tests and examinations but do not conduct factory inspections.

**TYPE B1**
Those who are qualified and equipped to conduct designated tests and examinations but do not conduct factory inspections.

**TYPE C**
Those who are qualified to conduct or supervise all forms of tests and examinations and who may utilize the facilities of other firms for the necessary testing equipment.

**TYPE C1**
Those who are qualified to conduct or supervise designated tests and examinations and who may utilize the facilities of other firms for the necessary testing equipment.

**TYPE D**
Organizations, firms, corporations or associations who possess approved equipment for testing, as designated, when utilizing the services of a Type C or C1 organization.
