Description of product (make/model, etc) and explanation of action needed:

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY

Wherever the provisions herein refer to the California State Fire Marshal, also referred to as CSFM, such reference shall be deemed to include and be a reference to CSFM's directors, officers, employees, agents, contractors and subcontractors, and to the contractor's and such contractor's subcontractor's directors, officers, employees and agents.

The certification or CSFM report of CSFM concerning the items referred to in this application (CSFM Report does not imply any guarantee or warranty (expressed or implied, and including but not limited to merchantability) by CSFM against defects or failures in service nor any responsibility in regard to patent or trademark infringement, misuse of trade secrets or any other aspect of unfair competition. Affirmative actions of the CSFM are based primarily on the data submitted by the applicant and the validity and integrity thereof as impliedly represented by applicant in submitting the same. Applicant agrees that it shall have no cause of action or claim against CSFM from time to time arising out of any approval, certification and/or CSFM report, whether or not such approval, certification or CSFM report is subject to conditions, or out of any denial of this application. Applicant agrees to hold CSFM from time to time harmless, and to defend and indemnify them, with respect to any claim, liability, demand, action or judgment arising from the use or operation by any person of the product or service to which the application relates, actual or asserted whether related to the matters set forth in the first sentence of this paragraph or otherwise, whether for personal injury, wrongful death, property damage, or any type of injury or damage whatsoever, whether or not of the same kind or nature as any of the foregoing CSFM's rights pursuant to the foregoing sentence, and applicant's obligations thereunder, shall apply whether or not it is claimed that CSFM was concurrently negligent with others, solely negligent, actively or passively negligent, and whether or not the legal theory of the claimant(s) is on one of the foregoing grounds or some other California law shall apply to the interpretation hereof. If any part of portion of this paragraph, or any application thereof to particular facts, should be determined invalid, the provisions hereof shall be severable so as to achieve for CSFM the maximum legal application. If this application is for a renewal or revision of an existing approval, certification or CSFM report, the provisions of this paragraph shall apply from the date of the first certification or CSFM report regardless of: intervening modifications thereof or modifications pursuant to this application; any prior change in the number assigned to the application or CSFM report and any prior change in ownership rights in or rights to the CSFM report whether one or more, since filing of the application resulting in said first approval.

PERMITTED USES

Applicant agrees not to make advertising use of any CSFM certification and/or CSFM report. Applicant may make the following uses which shall not be considered as advertising:

1. The entire then current certification or CSFM report may be reproduced in applicant's literature or furnished to any person. It shall include the disclaimer language on the bottom of the first page of the certification. Under no circumstances will a partial certification only be reproduced. No reference to the certification or CSFM report shall be included in a manner which could be misleading.
2. The following may be used in lieu of reproducing the entire current CSFM certification: "This product has been certified by the California State Fire Marshal (CSFM) pursuant to Section 41955 of the California Health and Safety Code."
3. Any use or reference to any CSFM certification and/or CSFM Report shall be followed by the following sentence: "It is subject to re-examination, revision and possible cancellation."

The above does not excuse compliance with any CSFM requirement as a condition of approval, certification or CSFM report requiring identification, inspection, reference to standards, or other information to be affixed to or labeled upon products.

The applicant hereby waives any rights and immunities for confidential information in-so-far as publication by CSFM or qualifying test results are concerned.

In consideration of the processing of the application the applicant agrees to abide by any conditions attached to any approval, certification or report or renewal thereof issued pursuant to the application or any later amendment thereto. The applicant also agrees that the printed provisions set forth herein constitute a part of the applicant's agreement.
