

Fire Prevention 1

Activity 2-5

Introduction to the *California Fire Inspector's Guide*

Activity 2-5

Format: Individual

Timeframe: 00:30

Description

This activity provides students with an opportunity to utilize the *California Fire Inspector's Guide* to cite various violations with a code section for the California Fire Code (CFC).

Materials

- *California Fire Inspector's Guide*
- A complete Fire Hazard Worksheet (FHW) from Activity 2-1
- Pen or pencil

Instructions

1. Work individually
2. Using your group's assigned fire from Activity 2-1, identify the occupancy classification of the structure where the historic and modern fires occurred
3. Find a code section citation in the *California Fire Inspector's Guide* for each deficiency recorded on the Fire Hazard Worksheet
4. Be prepared to discuss your answers with the class

Instructor Notes

- The Fire Hazard Worksheet is available on the SFT Instructor's Corner website
