Current Fire Fighter I Candidates

Candidates pursuing Fire Fighter I Certification under the existing requirements must complete all requirements; submit their fees and applications to SFT prior to December 31, 2017.

Justification:
The State Board of Fire Services has approved the Fire Fighter I Curriculum and associated changes in the certification track educational requirements. These changes are directed at meeting the specific Job Performance Requirements for Fire Fighter I established in NFPA standard 1001, Wildland Fire Fighter I in NFPA Standard 1051, Competencies for First Responder Operations, Hazardous Materials in NFPA Standard 472.

The current SFT Procedures Manual dated May 2008 only indicates the old Fire Fighter I Curriculum and certification educational requirements. This creates confusion for candidates attempting to obtain Fire Fighter I Certification.
