**Re: Updated Fire Command 2B Curriculum Now Available**

State Fire Training is pleased to announce the update of the text adopted for use in Fire Command 2B: Management of Major Hazardous Materials. The publisher, Emergency Training Services, Inc. has recently released the April 2009 version of Hazardous Materials On Scene Commander.

**Any course delivered through the California Fire Service Training and Education System (CFSTES) for State Fire Marshal certification must use this curriculum.** All certification exam questions have been referenced to this text and a new certification exam will be sent to all future classes.
