   - Must be employed by a California Fire Agency in the position prior to submitting completed task book to State Fire Training

5. Describe the certification examination process
   - Complete course work
   - Schedule online certification examination
   - Schedule skills evaluation test

Discussion Questions
1. How many levels are there in the Fire Officer certification track? What are they?

Activities
1. To be determined by the instructor.

Topic 1-3: Definition of Duty

Terminal Learning Objective
At the end of this topic, a student will be able to articulate the duties of a company officer level I and II and wildland fire officer level I.

Enabling Learning Objectives
1. Identify the duties of a company officer level I:
• This duty involves utilizing human resources to accomplish assignments in accordance with safety plans and in an efficient manner. This duty also involves evaluating member performance and supervising personnel during emergency and nonemergency work periods, according to the following job performance requirements.

• This duty involves dealing with inquiries of the community and communicating the role, image, and mission of the department to the public and delivering safety, injury, and fire prevention education programs, according to the following job performance requirements.

• This duty involves general administrative functions and the implementation of departmental policies and procedures at the unit level, according to the following job performance requirements.

• This duty involves conducting inspections to identify hazards and address violations, performing a fire investigation to determine preliminary cause, securing the incident scene, and preserving evidence, according to the following job performance requirements.

• This duty involves supervising emergency operations, conducting preincident planning, and deploying assigned resources in accordance with the local emergency plan and according to the following job performance requirements.

• This duty involves integrating health and safety plans, policies, and procedures into daily activities as well as the emergency scene, including the donning of appropriate levels of personal protective equipment to ensure a work environment that is in accordance with health and safety plans for all assigned members, according to the following job performance requirements.

2. Identify the duties of a company officer level II:

• This duty involves evaluating member performance, according to the following job performance requirements.

• This duty involves dealing with inquiries of allied organizations in the community and projecting the role, mission, and image of the department to other organizations with similar goals and missions for the purpose of establishing strategic partnerships and delivering safety, injury, and fire prevention education programs, according to the following job performance requirements.

• This duty involves preparing a project or divisional budget, news releases, and policy changes, according to the following job performance requirements.

• This duty involves conducting fire investigations to determine origin and preliminary cause, according to the following job performance requirements.

• This duty involves supervising multiunit emergency operations, conducting preincident planning, and deploying assigned resources, according to the following job requirements.
This duty involves reviewing injury, accident, and health exposure reports, identifying unsafe work environments or behaviors, and taking approved action to prevent reoccurrence, according to the following job requirements.

2. Identify the duties of a wildland fire officer level I:
   - See NWCG L-280, Followship to Leadership, and NFPA 1021 for additional supervisory information.

Discussion Questions
1. None

Activities
1. To be determined by the instructor.

CTS Guide Reference: CTS 1-1

Unit 2: Human Resource Management

Topic 2-1: Applying and Following Human Resources Policies and Procedures

Terminal Learning Objective
At the end of this topic, a student, given an administrative situation requiring action, will be able to apply and follow human resource policies and procedures.

Enabling Learning Objectives
1. Identify human resource policies and procedures
2. Describe the application of administrative procedures, which might include:
   - Transfers
   - Promotions
   - Compensation/member benefits
   - Sick leave
   - Vacation
   - Requests for pay or benefits while acting in a temporary position
   - Change in member benefits
   - Commendations
   - Disciplinary actions
   - Grievances

Discussion Questions
1. Which human resource policies and procedures apply to you as a company officer?
2. What is your role as a company officer in your organization regarding the application of these procedures?
3. Does your organization have unwritten policies set by past practice, and how do those interact with written policies and procedures?

Activities
1. To be determined by the instructor.

CTS Guide Reference: CTS 2-6
Topic 2-2: Creating a Professional Development Plan

Terminal Learning Objective
At the end of this topic, a student, given the requirements for promotion and opportunities for a member’s professional development, will be able to create a professional development plan for a member of the organization, providing the individual with the necessary knowledge, skills, and abilities to maintain or advance professional development.

Enabling Learning Objectives
1. Identify the steps for creating a professional development plan
2. List professional development options, such as:
   - Job shadowing
   - Mentoring
   - Continuing education
3. Apply evaluation form results to individual development plans

Discussion Questions
1. What are your professional goals and how would you accomplish them?
2. How does your department enable members’ professional development?

Activities
1. To be determined by the instructor.

CTS Guide Reference: CTS 2-10

Topic 2-3: Assigning Nonemergency Tasks or Responsibilities

Terminal Learning Objective
At the end of this topic, a student, given an assignment under nonemergency conditions at a station or other work location, will be able to assign tasks or responsibilities to unit members, giving complete, clear, and concise instructions; addressing safety considerations; and conveying the desired outcomes.

Enabling Learning Objectives
1. Demonstrate verbal communications during nonemergency incidents
2. Demonstrate written communications during nonemergency incidents
3. Describe techniques used to make assignments under routine situations
4. List methods of confirming understanding
5. Provide instructions for frequently assigned unit tasks based on department policy

Discussion Questions
1. What is the communication model?

Activities
1. The instructor must create an activity directing students to use the communications model during a nonemergency event.

Instructor Notes
1. Use the communication model or cycle discussed in your textbook.

CTS Guide Reference: CTS 2-3
Topic 2-4: Assigning Emergency Tasks or Responsibilities

**Terminal Learning Objective**
At the end of this topic, a student, given an assignment at an emergency incident, will be able to assign tasks or responsibilities to unit members, providing complete, clear, and concise instructions; addressing safety considerations; and conveying the desired outcomes.

**Enabling Learning Objectives**
1. Demonstrate effective verbal communications during emergency incidents
2. Describe techniques used to make assignments under stressful situations
   - Clear text
   - Common terminology
   - Voice tone
3. List methods of confirming understanding
   - Repeating message back to sender
   - Body language or gestures
4. Employ condensed instruction for frequently assigned unit tasks based on training and standard operating procedures

**Discussion Questions**
1. On an emergency scene, what are some common barriers to effective communication?
2. How would you overcome these obstacles?

**Activities**
1. To be determined by the instructor.

**CTS Guide Reference:** CTS 2-2

---

Topic 2-5: Directing Unit Members during a Training Evolution

**Terminal Learning Objective**
At the end of this topic, a student, given a company training evolution and training policies and procedures, will be able to direct unit members to perform a training evolution efficiently, in accordance with safety plans, and as directed.

**Enabling Learning Objectives**
1. Distribute issue-guided directions to unit members during training evolutions

**Discussion Questions**
1. What are some types of issue-guided directions?

**Activities**
1. To be determined by the instructor.

**Instructor Notes**
1. As this has largely been covered in Instructor I, this should be a brief review more than an intensive lesson.

**CTS Guide Reference:** CTS 2-4

---

Topic 2-6: Supervising and Coordinating the Completion of Assignments
Terminal Learning Objective
At the end of this topic, a student, given a list of projects and tasks and the job requirements of subordinates, will be able to coordinate the completion of assigned tasks and projects by members, prioritizing assignments, developing a plan for the completion of each assignment, assigning members to specific tasks, and supervising and holding members accountable for completing their assignments.

Enabling Learning Objectives
1. Identify principles of supervision
2. Describe basic human resource management
3. Describe how to set priorities

Discussion Questions
1. What methods would you use to monitor the completion of projects and assignments?
2. What considerations are used when delegating assignments?

Activities
1. To be determined by the instructor.

CTS Guide Reference: CTS 2-7

Topic 2-7: Performing and Reporting Job Evaluations

Terminal Learning Objective
At the end of this topic, a student, given personnel records and evaluation forms, will be able to accurately evaluate assigned members’ job performance and report each evaluation according to human resource policies and procedures.

Enabling Learning Objectives
1. Identify job descriptions
2. Describe the objectives and procedures of a member evaluation program
3. Identify common errors in evaluating
4. Demonstrate how to plan and conduct evaluations

Discussion Questions
1. What information is required in a job evaluation?
2. What is the purpose of a job evaluation?

Activities
1. The instructor must create an activity directing students to form small groups and discuss positive and negative elements in prior evaluations.

CTS Guide Reference: CTS 2-9

Topic 2-8: Recommending Action for Member-Related Problems

Terminal Learning Objective
At the end of this topic, a student, given a member with a situation requiring assistance and the member assistance policies and procedures, will be able to recommend action for member-related problems, identifying the situation and taking action within established policies and procedures.
Enabling Learning Objectives
1. Identify the signs and symptoms of member-related problems, such as:
   - Substance abuse
   - Acute, chronic, and delayed stress
2. Identify the causes of stress in emergency services personnel
   - Health, financial, personal, family, and other situations that adversely affect the member’s job performance
3. Describe the adverse effects of stress on the performance of emergency service personnel
4. Identify the AHJ’s member assistance policies and procedures
5. Implement a course of action for a member in need of assistance

Discussion Questions
1. As a company officer, what are your responsibilities in terms of identifying member-related problems?
2. What are the limits on your authority in this area as a company officer?

Activities
1. Instructor must create an activity that uses one of the signs or symptoms of member-related problems, such as substance abuse or acute, chronic, and delayed stress. Have the student use the AHJ’s policies and procedures to provide member assistance.

CTS Guide Reference: CTS 2-5

Topic 2-9: Improving Member Performance

Terminal Learning Objective
At the end of this topic, a student, given human resource policies and procedures, will be able to initiate actions that maximize member or unit performance or correct unacceptable performance, or refer the issue to the next level of supervision.

Enabling Learning Objectives
1. Identify problems
2. Describe concepts of organizational behavior
3. Describe principles of group dynamics
4. Describe the different leadership styles
5. Describe the types of power in leadership
6. Describe principles of interpersonal dynamics

Discussion Questions
1. What is group dynamics?
2. Describe a kind of leader that has impacted you.

Activities
1. The instructor must create activities pertaining to the above topics.

CTS Guide Reference: CTS 2-8
Topic 2-10: Explaining the Impact of the California Firefighters Procedural Bill of Rights

Terminal Learning Objective
At the end of this topic, a student, given the California Firefighters Procedural Bill of Rights Act, AB 220, will be able to explain the impact of the California Firefighters Procedural Bill of Rights Act as it applies to the company officer to reduce risk and civil and criminal liability.

Enabling Learning Objectives
1. Describe the disciplinary process as it relates to the California Firefighters Procedural Bill of Rights Act
2. Describe the components of the notification and interrogation process
3. Describe the protection of basic rights offered by the California Firefighters Procedural Bill of Rights Act

Discussion Questions
1. How has your agency implemented the California Firefighters Procedural Bill of Rights Act?
2. How does the act affect the company officer’s supervisory duties?

Activities
1. The instructor must create an activity using the case studies in the *Pocket Guide to the Firefighters Procedural Bill of Rights Act*.

CTS Guide Reference: CTS 2-1

Unit 3: Health and Safety

Topic 3-1: Applying Safety Regulations

Terminal Learning Objective
At the end of this topic, a student, given safety policies and procedures, will be able to apply safety regulations at the unit level, completing required reports, conducting in-service training, and conveying member responsibilities.

Enabling Learning Objectives
1. Identify the most common causes of personal injury and accident to members
2. Describe safety policies and procedures
3. Describe basic workplace safety
4. Describe the components of an infectious-disease control program

Discussion Questions
1. Discuss ways your agency could improve member safety.
2. Is your agency proactive or reactive in terms of safety? In what ways?
3. What are some of the laws with regard to health and safety?

Activities
1. Instructor must initiate a discussion based on a case study that identifies decisions made that directly affected fire fighter safety.
Instructor Notes
   1. Instructor should reference current applicable health and safety laws.

CTS Guide Reference: CTS 7-1

Topic 3-2: Describing the Benefits of Wellness and Fitness Programs

Terminal Learning Objective
   At the end of this topic, a student, given current fire service trends and agency policies, will be able to describe the benefits of being physically and medically capable of performing assigned duties and functioning effectively during peak physical demand activities, explaining to members the need to participate in wellness and fitness program.

Enabling Learning Objectives
   1. Identify national death and injury statistics
   2. Describe fire service safety and wellness initiatives and programs

Discussion Questions
   1. What are some common hazards that endanger fire fighter health and safety?
   2. Does your agency offer a comprehensive, integrated wellness program?

Activities
   1. To be determined by the instructor.

Instructor Notes
   1. Instructor should refer to the Fire Service Joint Labor Management Wellness/Fitness Initiative (the IAFF/IAFC Peer Fitness Program).
   2. Instructor should refer to the 16 Firefighter Life Safety Initiatives, by the National Fallen Firefighters Foundation.

CTS Guide Reference: CTS 7-3

Topic 3-3: Conducting an Initial Accident Review

Terminal Learning Objective
   At the end of this topic, a student, given an incident and injury and accident forms, will be able to conduct an initial accident review, documenting the incident and processing reports in accordance with the AHJ’s policies and procedures.

Enabling Learning Objectives
   1. Describe procedures for conducting an accident review
   2. Describe fact-finding procedures

Discussion Questions
   1. What information needs to be gathered when conducting an accident review?
   2. What are some different ways to document an accident?

Activities
   1. To be determined by the instructor.

Instructor Notes
   1. Instructor should use any agency’s accident review policies as a example and direct the students to follow the policies of their own jurisdictions.
2. Instructor should consider the impact of the California Firefighters Procedural Bill of Rights Act.

**CTS Guide Reference:** CTS 7-2

### Topic 3-4: Analyzing and Reporting on Member History

**Terminal Learning Objective**
At the end of this topic, a student, given a case study, will be able to analyze a member’s accident, injury, or health exposure history, preparing a report including action taken and recommendations for a supervisor.

**Enabling Learning Objectives**
1. Identify the causes of unsafe acts, health exposures, or conditions that result in accidents, injuries, occupational illnesses, or deaths
2. Interpret accidents, injuries, occupational illnesses, or death reports
3. Identify the HIPPA requirements

**Discussion Questions**
1. What is the company officer’s role in making recommendations for corrective action based on an accident, exposure, or injury?
2. How does analyzing the risks associated with fire fighters duties help improve job related safety?

**Activities**
1. Instructor should develop an activity based on the case study.

**Instructor Notes**
1. Refer to Fire Fighter Close Calls, the National Firefighter Near Miss for case studies.
2. Consider how this applies to the department’s safety committee’s review procedures.
