TO PERSONS REQUESTED TO CERTIFY AN EXAMINEE’S EXPERIENCE, ABILITY AND CHARACTER

The person providing you with this certificate is requesting that you certify as to your knowledge of their experience, ability, character and integrity. Of particular concern is your knowledge as to his/her prior compliance with all State/local laws and regulations governing the use of pyrotechnics.

Your cooperation is requested so that the State Fire Marshal can determine whether an applicant has had the experience necessary to receive a Pyrotechnic Operators license. The person involved is required to verify that he/she meets all State Fire Marshal conditions necessary to take a pyrotechnic operator's examination. This verification is accomplished through your providing this certificate in support of their experience, ability, and character.

Certifications by former employers are the most desirable; however, any qualified California State Fire Marshal licensed person who has direct knowledge may certify to the examinee's experience. To be acceptable, the reverse side of this certificate must be completed and the statements therein certified to be true under the penalty of perjury. Our office will NOT accept Reference Letters, which are more than one (1) year old.

*IMPORTANT

Title 19, California Code of Regulations, Article 5, Section 984(c), States:
