1. What is the new classification of an R-6.1.1?

CBC 310, R-3.1 Occupancies are for facilities with 6 or fewer clients, but the section does not mention Social Rehab as one of the possible uses. (CBC 310 indicates that R-4 Occupancies are for more than 6 clients, but specifically indicates Social Rehab facilities such as: halfway houses as a possible use.)

Under the 2007 CBC an R-6.11 would be classified as an R-3.1.
