Update Your Fire Department Information

This flyer is a reminder to continue sending your 2021 NFIRS files quarterly to CalStats@fire.ca.gov

2021 Quarter 2 files were due as of July 15th.

Please do not resend your files.

We are asking ALL agencies to update their information with us by completing the new Fire Department Information Change Notice online form:

[Fire Department Information Change Notice](#)

Please note that the old PDF/paper form has been discontinued.

As Fire Chiefs and NFIRS contact emails often change, we want to be sure we have current information for every fire department.

CalStats is asking that EVERY agency submit a Fire Department Information Change Notice so that we have your most up-to-date information, even if you have submitted a PDF or paper form recently.
