

RONNY J. COLEMAN

California Accredited Academy of Excellence

Background

The Ronny J. Coleman, California Accredited Academy of Excellence will be awarded annually to an Accredited Regional Training Program (ARTP) or Accredited Local Academy (ALA). State Fire Training seeks to honor an academy that *constructively influences* its students through leadership while establishing and promoting *best practices*. They will be recognized for *developing* supportive training and education processes or programs that improve the caliber and quality of the California fire service. This academy will be acknowledged for its ability to *collaborate* successfully within the vocational education community. These outcomes produce fire service members who step up and consistently demonstrate competence, grit, humility, presence, resilience, self-mastery, self-regulation, trust, vigilance, and wellness.

Distinctives (Select no more than 3 items)

- | | |
|---------------------------------------|--|

| <input type="checkbox"/> Recruiting | <input type="checkbox"/> Continuing Education |
| <input type="checkbox"/> Partnerships | <input type="checkbox"/> Vocational Education |

Selection Questions (Provide answers on a separate document)

Answer the following for each “Distinctive” selected above. Each answer shall be no longer than 300 words. Supporting data, pictures, and videos are encouraged.

- How does this academy demonstrate _____? (Provide specific examples)

Selection Process

- The nomination form and any supporting documentation are to be submitted to the Fire Chief or College Administrator responsible for the ARTP/ALA (or their designee).
- Fire Chief or College Administrator reviews and completes the Nominee Verification section.
- Completed nominations shall be submitted electronically to chris.fowler@fire.ca.gov by September 30.
- Selection Committee makes the final decision by November 1.
- Presentation at the Annual CAL Chiefs Training Symposium (Fresno, each November)

Criteria

The application will be evaluated and scored on four (4) criteria:

- Constructively Influence – The demonstrated ability to lead that impacts the organization, local partners, and/or the California fire and rescue services. (25 percent)
- Best Practices – The organization has demonstrated the ability to seek out and adopt or develop best practices. (25 percent)

RONNY J. COLEMAN

California Accredited Academy of Excellence

- Research and Development – Processes or programs that improve the caliber and quality of the California fire and rescue services. (25 percent)
- Replicability and Collaboration – The ability of other ARTPs or ALAs to implement a similar practice. (25 percent)

Application Packet Must Include

- Nomination (2nd Page of this Document)
- Letter of Verification from Fire Chief (ALA) or College Administrator (ARTP)
- Answers to the Selection Questions (Separate Attachment)
